

The TLC Companies® is your one-stop solution for all your company's needs

The TLC Companies® is the nations largest Transportation specific PEO. We understand the need to help trucking companies save time and money. We have taken the scale of The TLC Companies to provide a fleet fueling program exclusively for TLC Clients only.

TLC FuelVantage® Benefits:

- Pay cash price at the pump
- Accepted at over 99% of all truck stops nationwide
- Point of Sale discounts at select merchants like Pilot-Flying J (10¢ per gallon), TA-Petro (8¢ per gallon) and Speedway/WilcoHess (8¢ per gallon)
- Additional fuel savings with FuelVantage pre-negotiated rebate programs at an additional 2,000 locations
- Keep your pre-negotiated Fuel vendor discounts in place
- Client specific reporting with level 3 data capture and security
- Compliant reporting to assist with fuel tax reporting and driver settlements
- Flexible underwriting terms to meet your business needs
- Unparalleled Customer Care with experienced team of dedicated professionals

REBATE: 10¢ off for new customers for the first 90 days at selected locations on the Fleet One website
